I John Tenniss other known as Johnny Lee Tenniss II who was Born on September 27, 1983 Back in New Orleans, LA I'm making a statement to confirm that I'm sitting in the Room with the Postal Inspectors to talk about my plans with Kathy Montgomery from DeDeville, LA my plans with Kathy was to let her move in with me and to settle down with me to start a fresh start with our lives. Me and Kathy was planning to get married and have sex. I also paid for her ticket to come live with me. I will never force Kathy into anything she did not want to do. I'm was not planning for her to run away. I told Kathy to ~~please~~ call me, but she never did. I ask for her personal number but she never gave it to me. The reason I wanted to have Kathy number was because I was planning to talk to Kathy parents and all this time I Belived that Kathy was telling her folks all about me. Like I told my family about Kathy. I also knew that Kathy was 13 and was Born on ~~before~~ November 19, ~~1992~~ <sup>mind - 11-22-82</sup> and I also gave her my D.E.B. and Kathy did not ~~use~~ <sup>use</sup> it. I also was trying to help Kathy to get into school with me so she won't be a drop out. I also was planning to have sex with Kathy when she is ready and ready for marriage. ~~before~~ what I ment as here I'm as a pastor and Kathy knows that I won't have sex with her until we are married. so I will never force anything on Kathy. I will say at one time I was in a rush to have a family and yes I did send Kathy e-mails and one letter with \$5.00 and with my pictures to her. I know ~~that~~ <sup>that</sup> I wanted with Kathy was a wife and I know I did make a statement to Kathy about going to her folks on why she was moving in with me. also I did lied to her about having kids and yes my plans was for her to have sex with me when she come to live with me and start a new life. I also started to talk about her on the radio.

I know where she is at. But thinking about it I felt bad before the inspectors stopped me. When Kathy came to me, I wanted her to contact her family. Like I will never make her do things she don't want to do. Also, I was going to give her a freedom because I believe that she was ~~and~~<sup>and</sup> being used and abused at home. She also stated to me that she won't do a mail of change, cause her folks when find where she is at. Kathy even did not want her folks at the wedding. I don't know why. But see yes I was going to pay for shipment for her PC, not because we wanted to hide us. It's because she wanted to ship it so she can have a PC to use when she sex here. Yes I did bought her her Greyhound ticket to move in with me. The way I met Kathy was through Tiffany through her best friend. At one time Kathy e-mailed me telling me that Tiffany been busy with school. and I told Kathy ~~to~~<sup>to</sup> have Tiffany to e-mail me. But she never did so I ask Kathy out. I also have talked to many lady's online as on-line-darins. But see with Kathy me and he have a lot in common. I also have been with Hanna born in November 6, 1993. and yes we did have sex. cause I had one drink at her place. what I did not know was that it will end up having sex. At the time I was on Depressing med. yes I did know it was wrong but I did not think one drink with my med's will cause me to have sex. I also had oral sex and intercourse with Hanna. The only thing I remember about her was her DOB and e-mail. I did have sex at her folks place while Rex was out of town. It was supposed to have a 2nd date on Dec 6, 2005 but her Dad got better job. so I have not heard from her ever since when I had sex with Hanna it was late at night I remember was the place she lived and not be Florida # also it was on the 2nd floor.
